## DECLARATION

Product Name: VE-0856/K2007, VE-0856/FWA310

LOTTE Chemical Corporation hereby provides the following information.

Regulation Name	Statement
EU REACH: Registration (Regulation (EC) No. 1907/2006)	REACH is the EU regulation concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals. The essence of this regulation is that manufacturers and importers of chemical products in quantities of 1 metric ton or more per year must register these products with the ECHA. Under European REACH regulation, these products are classified as a preparation. We confirm that all substances contained in this preparation comply with the registration requirements of REACH, and that the manufacturers (including ourselves and our suppliers) have completed REACH registration either directly or through an Only Representative.
EU REACH: Authorization (Annex XIV) & Restriction (Annex XVII)	We confirm that our products comply with the requirements set out in Annex XIV and Annex XVII of Regulation (EC) No. 1907/2006 (EU REACH), including the latest amendments.
Restriction of Hazardous Substances Directive (RoHS)	With respect to EU Directive 2011/65/EU and 2015/863/EU (as amended) and subsequent EU Decisions, we confirm that our products comply with the limits for cadmium, hexavalent chromium, lead, mercury, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), bis(2-ethylhexyl) phthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP), and diisobutyl phthalate (DIBP).

Regarding the candidate list of 251 SVHCs (last updated on Nov. 5th, 2025) according to article 59 of Regulation (EC) No. 1907/2006 (REACH), our products contain the following substances in concentrations above 0.1%(w/w):

- 1,1'-(ethane-1,2-diyl)bis[pentabromobenzene] (DBDPE) (CAS No. 84852-53-9) < 0.8%

The undersigned is an authorized representative of Lotte Chemical Corporation. If you need more information, please contact our customer support.

Sincerely yours,

Jaekeun Hong  
Head of Division  
Safety and Health Division | Advanced Materials
